

New access protocol for groups accompanied by official guides

The Sant Pau Art Nouveau Site has established an Access protocol to guarantee the safety of groups visiting the heritage site in the company of official guides. The objective is to ensure that safety distances maintained throughout the itinerary.

Reduced capacity: maximum 20 people plus the guide.

Reserve your visit in advance. Send an email message to: visites@fundaciosantpau.cat.

Follow the recommended itinerary.

Offer explanations outside the buildings and in the larger rooms of the Administration building (Hypostyle, Pau Gil / Cambó, Domènech i Montaner halls), preferably using a radio-guide system.

Check other **safety and hygiene measures with regard to Covid-19** and download the communication materials for the visit from the website santpau.barcelona/covid19.
